

# The 10 Commandments of Travel Practice in Avalanche Terrain

1. Thou shalt go one at a time.
2. Thou shalt start/stop in safe locations.
3. Thou shalt plan your access and egress.
4. Thou shalt ski cut when appropriate.
5. Thou shalt use high ground where possible.
6. Thou shalt consider the potential hazard of what is above.
7. Thou shalt consider the consequences of the terrain below.
8. Thou shalt organize group size to maximize safety (2-5).
9. Thou shalt communicate and consider human factors.
10. Thou shalt use a system to make decisions (TPSSDT).
